

2024 Student Conservation Fair: Participant Instructions

1. Choose a topic you find interesting
2. Decide whether you would like to present research on this topic or create artwork that represents the topic
 - a. Research Project
 - i. Ask your parents for help when using the internet
 - ii. Consider going to the library for research material
 - iii. Create a poster, tri-fold poster, display, etc. with the information you learn (make sure to include fun facts!)
 - b. Artwork
 - i. Ask your parents for help when using the internet
 - ii. Decide what kind of art you would like to do
 1. Drawing
 2. Painting
 3. Paper mâché
 4. Photography
 5. Etc.
 - iii. Make sure your artwork represents your topic in some way
 1. For example, water quality could include a painting of a clean lake vs a polluted lake
3. Ask your parents for help filling out the registration form and sending it in
4. On June 29th, 2024 you will bring your project to the Art in a Garden Festival
 - a. Arrival at 10 am
5. You will need to be at the booth for 1 hour at some point in the day to represent your project
6. Festival attendees will vote on the projects throughout the day
7. Winners
 - a. Projects will be voted on by attendees, and winners announced at 3:30pm
 - b. Projects will be judged on creativity and accuracy of information
 - c. Artwork and research projects will be judged separately
 - d. You are not required to attend the winner announcement but it is encouraged
 - e. Everyone will receive a certificate for participating
8. Have Fun!
